## Accommodation in Famara

Famara is a small town in a very unspoiled, natural place. It is a surfer town – most people walk barefoot with a surfboard under his/her arm. The beach is breathtaking – especially with low tide - when the cliff reflects on the water. It is for sure the perfect place to practice surf. If you decide to stay here during your vacation, you will experience a relaxed surf town atmosphere, where it seems that the most important thing is to catch waves. As accommodation, you can choose from sharing a room with other people or have your own private room

(sharing the bathroom). Self catering. Plenty of options to dine and eat in the nearby

**Surfcamp shared:** You rent a bed and share the room with other kites or surfers. There is a common lounge with TV and music, kitchen.

Price per person and week: € 91

**Surfcamp single:** You have your own room and share the bathroom with other kites. Access to the kitchen and lounge. Self catering.

Price per person and week: € 182

Price includes linen, towels and cleaning once a week.

Note: You will need a car to come to school, as La Academia is on the other side of the island.

## **SPANISH & HIKING (1 week)**

### **Spanish classes (2 hrs/day) + 4 treks**

Accommodation in Costa Teguisse (single room) sharing an apartment with other students.

The Spanish classes in this program take place in the afternoon so that you can enjoy the day. Some treks require endurance and are not recommended for those who experience vertigo.

A specialized guide will take you along beautiful lava paths, through palm groves, along cliffs, to neighbouring islands...You will love these excursions and will never forget them, especially if you like hiking. Lanzarote, though small, will surprise you with everything that it has to offer. It is very important in all treks to bring good walking shoes, sun cream (do not forget this, please!), water and a windbreaker.

The hiking program is the following:

**Trek 1:**     **The north. La Corona Volcano and Famara Cliff** Splendid and continually changing landscapes throughout the walk: two coasts, the crater and lavas of La Corona volcano and the island of La Graciosa from the crest of Famara Cliff. Typical farming on volcanic ash and a large variety of endemic plants and flowers can be seen. Seabirds. *09:30 to 14:00*

**Trek 2:**     **Fire mountains.** *09:00 to 13:00.* Unique and surprising walk through the limits of the National Park of Timanfaya, among volcanoes, through lava fields and ash surfaces produced by recent but now extinct craters. You will see red-colour mountains, volcanic furnaces, landscapes that look like the moon, lichens and colonizing plants growing in extreme conditions. Quite a sight to see! A must!

**Trek 3:**     **The vineyards and surroundings.** *09:00 to 14:00.* This hike is done on the central crest where you can make out the south and centre of Lanzarote. We make our descent towards the vineyards of La Geria – a fabulous scenery of vineyards on a field of volcanic ash to visit the vines cultivated on volcanic ash and protected from the wind with basalt rock walls.

**Trek 4:** **Island of La Graciosa:** 09:00 to 17:00. After a short boat trip from the port of Orzola, we start the trek in the nice little fishing village of "Caleta del Sebo". We cross sand dunes, deserted beaches and lava fields, always with an astonishing backdrop of the islands Montaña Clara and Alegranza on one side and the Famara cliff on the other. Minimum group: 6 people

Price per person 1 week € 470

Price per person 2 weeks € 665

Private apartment supplement: € 95 per week

+ Supplement Easter and Christmas € 75/per week (March 23<sup>rd</sup> –April 4<sup>th</sup>) (Dec 23<sup>rd</sup>. – Jan. 06<sup>th</sup>)

+ Supplement Summer € 140 /per week (July 7<sup>th</sup> – Sept. 10<sup>th</sup>)

If you stay two weeks, the number of excursions remain the same. You can spread them throughout your stay, and if you want hike more, you can arrange excursions on site at a price of approx. € 40 each.

Treks are subject to change if the weather conditions are not favourable or if minimum amount of participants is not reached (3 people in normal trekkings, 6 people in La Graciosa trekking)
