Accommodation in Famara

Famara is a small town in a very unspoiled, natural place. It is a surfer town – most people walk barefoot with a surfboard under his/her arm. The beach is breathtaking – especially with low tide - when the cliff reflects on the water. It is for sure the perfect place to practice surf. If you decide to stay here during you vacation, you will experience a relaxed surf town atmosphere, where it seems that the most important thing is to catch waves. As accommodation, you can choose from sharing a room with other people or have your own private room

(sharing the bathroom). Self catering. Plenty of options to dine and eat in the nearby

Surfcamp shared: You rent a bed and share the room with other kites or surfers. There is a common lounge with TV and music, kitchen.
